SENATOR DIERKS: Holt County has got a planning commission, and they're struggling. It's not going to happen in 6 months. In fact, the 6 months was up a couple of months ago. It's not going to happen in 12 months, I predict. They had a planning commi...they had a plan in effect from 10 years ago, but it didn't take care of the problem. So today, we're asking the democratic process, that they're able to do what we think the local citizens should be able to do under their local control. And the Schellpeper amendment takes that away. Please help me bring this back and strike it from the bill. Thank you.

SENATOR CROSBY: Thank you, Senator Dierks. A roll call vote's been requested. The question is, the motion...Senator Dierks' motion to reconsider the previous vote on the Schellpeper amendment. All in favor vote aye, opposed no. Mr. Clerk, please call the roll. Reverse order? In reverse order.
