Committee: Government, Military and Veterans Affairs

1 A BILL FOR AN ACT relating to the Interstate Civil Defense and Disaster
2 Compact; to amend sections 81-829.47, 81-829.52, and 81-829.56,
3 Reissue Revised Statutes of Nebraska; to change provisions relating
4 to emergency response agreements with other states; to withdraw from
5 the Interstate Civil Defense and Disaster Compact; to harmonize
6 provisions; to repeal the original sections; and to outright repeal
7 section 1-109, Appendix, Reissue Revised Statutes of Nebraska.
8 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 81-829.47, Reissue Revised Statutes of Nebraska,
2 is amended to read:

3 81-829.47 (1) If the Governor finds that two or more adjoining
4 counties would be better served by an interjurisdictional emergency
5 management arrangement than by maintaining separate emergency management
6 organizations and services, the Governor ~~he or she~~ may delineate by order
7 or regulation an interjurisdictional area adequate to plan for, prevent,
8 or respond to a disaster, emergency, or civil defense emergency in that
9 area and direct such steps to be taken as are necessary, including the
10 creation of an interjurisdictional emergency management relationship, a
11 joint emergency operations plan, mutual aid, or an interjurisdictional
12 emergency management organization. A finding of the Governor pursuant to
13 this subsection shall be based on one or more factors related to the
14 difficulty of maintaining an efficient and effective disaster prevention,
15 mitigation, preparedness, response, and recovery and emergency management
16 system without such interjurisdictional arrangement, such as:

17 (a) Small or sparse population;

18 (b) Limitations on public financial resources severe enough to make
19 maintenance of separate emergency management organizations and services
20 unreasonably burdensome;

21 (c) Unusual vulnerability to disaster, emergency, or civil defense
22 emergency as evidenced by past history, topographical features, drainage
23 characteristics, potential for disaster, emergency, or civil defense
24 emergency, and presence of facilities or operations prone to disaster,
25 emergency, or civil defense emergency;

26 (d) The interrelated character of the counties in a multicounty
27 area; or

28 (e) Other relevant conditions or circumstances.

29 (2) If the Governor finds that a vulnerable area lies only partly
30 within this state and includes territory in another state or states and
31 that it would be desirable to establish an interstate relationship,

1 mutual aid, or an interstate emergency management organization, the
2 Governor ~~he or she~~ shall take steps to that end as desirable. If this
3 action is taken with jurisdictions that have enacted the Emergency
4 Management Assistance Compact Interstate Civil Defense and Disaster
5 ~~Compact~~, any resulting agreements may be considered supplementary
6 ~~supplemental~~ agreements pursuant to Article VII 6 of that compact.

7 (3) If the other jurisdictions with which the Governor proposes to
8 cooperate pursuant to subsection (2) of this section have not enacted the
9 compact, the Governor ~~he or she~~ may negotiate special agreements with the
10 jurisdictions. Any agreement, if sufficient authority for the making
11 thereof does not otherwise exist, shall become effective only after its
12 text has been communicated electronically to the Legislature and if the
13 Legislature has not disapproved it prior to adjournment of the next
14 session competent to consider it or within thirty days of its submission,
15 whichever is later.

16 Sec. 2. Section 81-829.52, Reissue Revised Statutes of Nebraska, is
17 amended to read:

18 81-829.52 Upon orders of the Governor, the Adjutant General is
19 authorized to establish such number of state emergency response teams as
20 may be necessary to reinforce emergency management organizations in
21 stricken areas and with due consideration of the plans of the federal
22 government and of other states. The Adjutant General shall appoint a team
23 leader for each team who shall have primary responsibility for the
24 organization, administration, and operation of such team. The team leader
25 shall keep and maintain a roster of members of the team, and only such
26 persons whose names appear on the roster shall be deemed members of such
27 team and entitled to the benefits provided by section 81-829.53. No
28 political subdivision shall be entitled to reimbursement as provided in
29 section 81-829.54 unless the individual on whose behalf reimbursement is
30 sought was duly enrolled on the roster as provided in this section at the
31 time the obligation was incurred. State emergency response teams shall

1 perform their functions in any part of the state or, upon the conditions
2 specified in mutual aid plans and emergency management agreements, in
3 accordance with the Emergency Management Assistance Compact Interstate
4 ~~Civil Defense and Disaster Compact~~, and in this section, in other states.

5 Sec. 3. Section 81-829.56, Reissue Revised Statutes of Nebraska, is
6 amended to read:

8 ~~enacts into law and enters into~~ the Interstate Civil Defense and Disaster
9 Compact pursuant to Article 13 of such compact ~~with all states bordering~~
10 ~~this state which have enacted or shall hereafter enact the compact in the~~
11 ~~form substantially as adopted in this state.~~

12 ~~(2) The Governor may enter into the compact with any state which~~
13 ~~does not border this state if he or she finds that joint action with the~~
14 ~~state is desirable in meeting common intergovernmental problems of~~
15 ~~emergency disaster planning, prevention, response, and recovery.~~

16 ~~(3) Nothing in subsections (1) and (2) of this section shall be~~
17 ~~construed to limit previous or future entry into the Interstate Civil~~
18 ~~Defense and Disaster Compact of this state with other states.~~

19 ~~(2)~~ (4) If any person holds a license, certificate, or other permit
20 issued by any state or political subdivision thereof evidencing the
21 meeting of qualifications for professional, mechanical, or other skills,
22 the person may render aid involving that skill in this state to meet an
23 emergency or disaster, and the State of Nebraska ~~this state~~ shall give
24 due recognition to the license, certificate, or other permit.

25 ~~(3) The~~ (5) ~~In addition to the Interstate Civil Defense and Disaster~~
26 ~~Compact,~~ the Governor may enter into, and execute on behalf of the State
27 of Nebraska, mutual aid agreements or emergency preparedness compacts
28 with other states. Any such agreement or compact shall provide for
29 reimbursement of all costs incurred by the State of Nebraska for actions
30 taken in another state, for indemnification of the State of Nebraska and
31 its employees against all claims, costs, or fees arising from actions

1 taken in another state, and for termination of the agreement or
2 assistance as necessary to meet disasters, emergencies, or other needs of
3 the State of Nebraska. Any mutual aid agreement or emergency preparedness
4 compact other than the Emergency Management Assistance Compact that
5 ~~Interstate Civil Defense and Disaster Compact~~ which does not meet the
6 requirements specified in this subsection shall be submitted
7 electronically to the Legislature for approval by the Legislature before
8 such agreement or compact ~~it~~ can become effective.
