* ADA Accommodation Written Testimony

Summary of purpose and/or changes:

This bill amends the Nebraska Political Accountability and Disclosure Act. It removes a number of references to "city or village" and "city, village, or school district" and replaces them with the broader, more inclusive term "political subdivisions." The bill also provides that certain public employees must prepare and submit a written statement disclosing certain conflicts of interest or potential conflicts. The bill expressly excludes sanitary and improvement districts from its provisions.

Tom Brewer, Chairperson
