

LEGISLATIVE BILL 8

Approved by the Governor February 14, 1995

Introduced by Executive Board: Hall, 7, Chairperson

AN ACT relating to public buildings; to amend section 81-177, Reissue Revised Statutes of Nebraska; to substitute section references to current law for a reference to a chapter and article from which all sections have been repealed or transferred; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 81-177, Reissue Revised Statutes of Nebraska, is amended to read:

81-177. Each state agency operating or managing state-owned buildings, utilities, or grounds shall make a detailed inspection of facilities under its care to determine accurately what renewal work items exist and the probable cost and time required for doing the work. A detailed report of the findings shall be made to the Governor, listing for each building, utility, or grounds improvement, the individual work items with estimated quantities and unit prices. Such report shall also include a listing of projects needed in state-owned structures to accommodate persons with handicaps as provided in ~~Chapter 72, article 11 sections 81-5,147 to 81-5,150.~~ The report shall state which work items are recommended to be done under contract and which are proposed to be done by agency forces with an estimate of ~~man~~ hours of labor and labor costs. The Governor shall refer the report to the task force for its study and recommendations pursuant to section 81-178.

Sec. 2. Original section 81-177, Reissue Revised Statutes of Nebraska, is repealed.
