

Hundredth Legislature - Second Session - 2008
Introducer's Statement of Intent
LB 1035

Chairperson: Lavon Heidemann
Committee: Appropriations
Date of Hearing: February 14, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1035 is intended to

- place in statute the expressway system depicted in the Department of Roads' 2006 Highway Needs Assessment;
- create the Expressway Construction Fund; and
- transfer \$16,000,000 from the Cash Reserve Fund to the Expressway Construction Fund.

Federal funds have been authorized for portions of the expressway system, but the federal funds require a twenty per cent match. LB 1035 provides that the Expressway Construction Fund shall be used only for matching funds so that construction on the expressway system may be completed.
