**Summary of purpose and/or changes:**

Legislative Bill 1045 would amend statute section 25-1625 to eliminate the provision for the clerk of the district court to perform the duties of the jury commissioner when a county has more than 150,000 inhabitants but not more than 200,000 inhabitants. The bill would also increase the population threshold from 150,000 to 200,000 inhabitants for counties to have separate jury commissioner or to have the duties performed by the election commissioner if authorized by the judges of the district court.
