

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB35

Chairperson: Senator Deb Fischer

Committee: Transportation and Telecommunications

Date of Hearing:

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 35 would amend §60-6,298 to extend the number of days, from 120 to 200, that permits can be given for trucks which exceed the weight limit. This change would be helpful for certain industries, such as the sugar beet industry in Western Nebraska, as currently truckers must keep applying for extensions of their permits in order to complete their duties.
