

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB353

Chairperson: Senator Deb Fischer

Committee: Transportation and Telecommunications

Date of Hearing: February 15, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 353 would clarify the the load restrictions used by towing companies when transporting a disabled or wrecked vehicle from a roadway. Currently, weight and length restrictions can open a tower or wrecker from moving a disabled or wrecked vehicle to citation, even while acting in the interest of public safety. LB 353 would allow these machines to operate outside the current restrictions when transporting a wrecked vehicle to a place of safe keeping.
