

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB437

Chairperson: Senator Amanda McGill

Committee: Urban Affairs

Date of Hearing: February 08, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 437 amends the Neb.Rev.Stat. §71-6403, the state building code, by adopting the 2006 edition of the International Building Code (IBC) and the 2006 edition of the International Residential Code (IRC).

LB 437 also removes subsection (3) from §71-6403, which would eliminate the automatic adoption of new editions of the codes referenced in subsection (1).

LB 437 adds language under §71-6405, which would add temporary interim amendments issued by the National Fire Protection Association to the list of code updates that a state agency may adopt to amend the state building code.

Section 71-6406 is also amended to reflect the changes to the process of local building code adoption and amendment processes.
