Chairperson: Senator Bill Avery

Committee: Government, Military and Veterans Affairs

Date of Hearing: February 16, 2012

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB953 establishes the state fleet card program for state agencies such as the Department of Roads, the Transportation Services Bureau, the State Patrol, the Game & Parks Commission, and the University of Nebraska that use services under the current fleet card contract executed in 2010. The bill provides requirements for documentation of transaction information and ensures accountability of State employees regarding fleet card use. Furthermore, LB953 establishes a fund for the receipt and distribution of the program rebates to participating programs using services under the contract.
