**Summary of purpose and/or changes:**

LB 105 amends Neb. Rev. Stat. 71-1908 to require that any applicant for a license under the Child Care Licensing Act provide the Department of Health and Human Services with written proof of liability insurance coverage of at least one hundred thousand dollars per occurrence.

Any already licensed childcare provider subject to this act must obtain liability insurance and provide written proof of the insurance to the department within thirty days after this act becomes effective.

Failure by a licensee to maintain the required level of liability insurance coverage shall be deemed noncompliance with the Child Care Licensing Act.
