

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB548

Chairperson: Senator Annette Dubas

Committee: Transportation and Telecommunications

Date of Hearing: February 04, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB548 would address issues that have arisen from the passage of LB740 in 2012. LB740 allows individuals to purchase a permit for a truck-tractor and semitrailer combination to carry a load of hay up to fifty-nine and one-half feet. LB548 would allow this exception to anytime the vehicle is driven to a location in order to load the baled livestock forage and to return the vehicle to its original location after unloading, or to proceed on to another location for storage or maintenance of the vehicle.
