DORN: Good morning, ladies and gentlemen. Welcome to the George W. Norris Legis-- Legislative Chamber for the second day of the One Hundred Ninth legislative Second Session. Our chaplain for today is chaplain and president-- Arlen [SIC: Arin] Hess, chaplain and president of the Capitol Studies of Walton, Nebraska, Senator Carolyn Bosn's district.

ARIN HESS: The Bible says, this is the day the Lord has made. Let us rejoice and be glad in it. Let's pray. Oh, Lord God, Creator, we praise you for all the good gifts you have given to us, life, health, and peace, this 250-year experiment with freedom in America. We thank you for the opportunity these have to serve you in this Legislature. We acknowledge our inadequacy for this task. Guide and direct us. Please equip us today for the responsibilities at hand. May we be wise with the divine wisdom necessary to make good laws. May we have discernment regarding issues for the people we represent. May we have the courage of our convictions and not bow to political expediency. Please protect our families, our communities, our country. May we have perseverance to do the right thing. And may we have humility to deal with potential arrogance and pride. And may you clothe us with teachability. May we advocate for true justice. May you grant us moral integrity to deal with the temptations of greed and deceitfulness, sexual immorality, alcohol, and drug abuse. And may you grant us self-control in attitudes and actions. May we be your servants today, Lord. May we experience your great love for us and trust Jesus Christ as our personal savior. We pray in his good name. Amen.

DORN: I recogni-- I recognize Senator Tom Brandt for the Pledge of Allegiance.

CLERK: I have no corrections this morning, sir.

DORN: Senator Meyer would like to recognize the doctor of the day, Senator Hol-- Dr. Hotelling [SIC: Hoelting] from Pender, Nebraska, located under the north balcony. Mr. Clerk, are there any messages, reports, or announcements?

CLERK: There are, Mr. President. I have a notification from Senator DeBoer designating LB304 as her personal priority for the session. I have a letter from Speaker Arch pursuant to Rule 4, Section 8, referring LR293 to the Reference Committee for purposes of referral to the proper standing committee. I have motion from Senator Kauth to withdraw LB729. That'll be printed. Report on the disposition of interim study resolutions to be printed in today's Journal. Amendments to be printed from Senator Kauth to LB716 through LB830. Amendment to be printed from Senator DeBoer to LB304. And a motion from Senator Dorn moving the appointment of Stephanie Meese as director of Legislative Oversight. That's all I have at this time.

DORN: Thank you, Mr. Clerk. Speaker Arch for an announcement.

ARCH: Good morning, colleagues. As, as promised, you're going to be receiving a memo shortly regarding scheduling. And just kind of give you, give you an overview. I want to-- I want to highlight some things. And then you'll, you'll be receiving your own copy of this. Obviously, we've been receiving questions, and so I hope this will clarify a number of things. January 14, which is Wednesday of next week, is the day that I've identified that, that we will begin debate at that point on carryover legislation. So our worksheet order bills, that's when we'll start pi-- taking them up. You received a memo from me earlier as to how I'm going to be ordering those, and, and you can refer to that as well, but that's, that's when that will begin. We'll be doing a half day. The next day, Thursday the 15th, we'll have the State of the State Address by our Governor. And then-- we will not be doing debate on that day. And then we will pick up debate half day again on Friday. Beginning the following Monday is when we will begin our committee hearings. And so that will begin on January 20, on the first day of that week. And then the-- that week, the 22nd, is-- the Chief Justice will come in and give us our State of the Judiciary Address that week. And you'll, you'll see that in the memo. Now moving into February, there's some, there's some dates. And, and this will be kind of a shock to all of us, but February 17 is, is the last day to submit a request to me for a Speaker priority. That's early, right? February 17. The-- comes-- it's going to come very fast. And

then the 19th will be the deadline for the designation of committee and senator priority bills. So again, just keep that in mind as you're, as you're looking to the future on that. You're not going to see us identifying the start times of every day going forward. And so here's, here's going to be the rule: beginning January 20 through March 3, we will convene the first day of the workweek at 9 a.m. And we will be-- convene at 9-- at-- excuse me. The first day is 10 a.m. and the-- and every other day that-- those weeks will be 9. So you can count on that. You're not gonna see that in-- tied to every date. Beginning nar-- March 4, we'll convene at 9 a.m. every day. But this is in your memo. So your, your staff can get this on, on your calendars. There is also, color-coded, a calendar for all of you, and you'll be able to see by color as to when we're doing half days, when we're doing full days, all of that. Priority bills are going to come early. We are in a short session. And so once we start getting those priority bills, we'll be off worksheet order bills and, and moving on to just those. But again, if you have any questions after you receive this memo, you can talk to me. You can talk to my staff, Laurie, in the office. And we'll try to clarify anything for you. Thank you, Mr. President.

DORN: Thank you, Senator Arch. Mr. Clerk, introduction of bills.

DORN: Mr. Clerk, first item on the agenda.

CLERK: Mr. President, motion from Senator Ben Hansen to spend Rule 3, Section 14, to permit scheduling of a public hearing on January 12, 2026 by the Executive Board.

DORN: Senator Hansen, you're recognized to open on your motion.

HANSEN: Thank you, Mr. President. Good morning, colleagues. I was remissed. Last time I was on the microphone, I didn't wish everybody a happy new year. But today I rise on my motion to suspend the rules

requiring seven days' notice for a public hearing on LR282, the resolution regarding the potential expulsion of Senator McKeon. As members know, our rules generally require seven calendar days' notice before a committee can hold a public hearing on a bill or resolution. This requirement serves an important purpose. It ensures that Nebraskans have sufficient time to learn about proposed legislation that may affect them directly, to prepare testimony, and to participate as a second house in our unique Unicameral process. However, LR282 is not a typical legislative measure that would impact policy for all Nebraskans or invite broad public input on matters of general law. This is a personnel matter involving serious allegations of misconduct by a sitting senator, conduct that occurred while serving in this body. Consistent with past practice for such sensitive internal matters, the scheduled hearing before the Executive Board will be limited to invited testimony only, specifically from Senator McKeon or his legal representative and from the outside counsel who conducted the independent investigation. No general public testimony is contemplated or expected, as this is not a forum for open debate on statewide policy. How-- moreover, Senator McKeon was provided formal written notice of, of the investigation's findings, the full report, the intro-- introduction of this explosion resolu-- resolution, and the planned hearing date of Monday, January 12 via the letter on January 5, 2026. That gives the directly affected individual more than seven days' advance notice to prepare, meeting the core intent of due process while allowing the Legislature to act promptly on this grave matter. Suspending the seven-day notice rule in this limited circumstance is both necessary and appropriate to maintain the expedited timeline unanimously recommended by the Executive Board. It allows us to proceed responsibly without undermining the protections our rules provide in ordinary cases. I urge my colleagues to support this motion. Thank you, Mr. President.

DORN: Thank you, Senator Hansen. Senator DeBoer, you're recognized to speak.

DeBOER: Thank you, Mr. President. I told Senator Hansen I was probably going to say something about this. And the thing that I'm going to say is that I would like to do a sort of hear ye, hear ye to all future legislators looking back on this transcript to say that I do feel pause about suspending the rules in this sort of instance, although the facts of this particular situation are so specific, particularly the way in which this incident was investigated and processed during the interim period, the timeline that Senator Hansen suggested of all of the things which have been done. And while I will

probably not vote to suspend the rules, because it is a principle of mine to be very, very limited in the times that I do suspend the rules, I understand why Senator Hansen has brought this motion in this instance. And it is a very close one for me. I do think, though, that we need to be very clear with future Legislatures that the rule suspension in this sort of case is only in this particular, very fact-specific case and not something that I think carries as a precedent. So that is what I wanted to say. Thank you, Mr. President.

DORN: Thank you, Senator DeBoer. Seeing no one else in the queue. Senator Hansen, you're recognized to close. Senator Hansen waives. Colleagues, the question before the body is the motion to suspend Rule 3, Section 14, to permit the scheduling of public hearing with less than seven calendar days' notice. All those in favor vote aye; all those opposed vote nay. Have all those who voted-- have all those who wish to voted? Mr. Clerk, record.

CLERK: 43 ayes, 0 nays on suspension of the rule, Mr. President.

DORN: The motion is approved.

CLERK: Mr. President, pursuant to that rule suspension, the Exec Board gives notice of a public hearing. That's all I have at this time.

DORN: Members, please continue to bring your bills forward. Mr. Clerk for, for new bills.
