PRESIDENT: The Chair recognizes the Speaker, Senator Burbach do you want to make your motion regarding the unanimous consent for the change of order.

SPEAKER: Mr. President, members of the Legislature as per our conversation yesterday I would like to ask unanimous consent to change the rules of order today and move on directly to the committees report and that result of that report and have a full discussion at this time.

PRESIDENT: The Speaker has asked for unanimous consent for the change of rules to provide for a change in the order of business, that is section one of rule seven. If there is any objection to this, please indicate so by your light. Alright, I'm sorry we really are not asking for unanimous consent, we are suspending the rules. So the question is shall rule...section one of rule seven be changed to provide for a change in the order of business to allow the motion of Mr. Warner to come in out of order. Record your vote. Have you voted? Record Mr. Clerk.

CLERK: 40 ayes, 0 nays to suspend the rules.
