like to relate one to you. One time on the City Council in Omaha, I was off with the Asian flu and one of my dear friends on the Council brought up a Resolution wishing me well and that I would do good and obey the doctor and you know something. The Council passed that and the vote was 4 to 2 hoping that I would get well.

CLERK: Mr. President, I move that we adjourn. Signed Senator J. W. Burbach.

SPEAKER: Move to adjourn, Mr. Chairman. All in favor indicate by the usual sign. Opposed.
