SENATOR DWORAK: Mr. President, I move that LB 525A be advanced to E & R for engrossment.

SPEAKER: Motion made and seconded that LB 525A be advanced to E & R for engrossment. All in favor indicate by the usual sign. Opposed. Carried. Chair recognizes Senator Simpson.

SENATOR SIMPSON: Mr. President, I move that we suspend the rules and take up tomorrows Final Reading today. We have about an hours time that we could work and we could get these out of the way yet today.

SPEAKER: The question is shall we suspend the rules and take up tomorrows Final Reading today. Chair recognizes Senator Dickinson.

SENATOR DICKINSON: Is discussion appropriate at this time, Mr. Speaker?

SPEAKER: The lights were lighting and I didn't know what they were lighting for. I didn't see your light, I'm sorry. Proceed.

SENATOR DICKINSON: Well I thought we were going back to Select File and complete what we didn't get done on these priority bills. Is that a misunderstanding on my part?

SPEAKER: Was that decided sir? I was not in the Chair at the time. It was not decided, I'm informed.

SENATOR DICKINSON: Pardon.

SPEAKER: There was not a decision made on this I'm informed.

SENATOR DICKINSON: Well they're there. Why shouldn't they come as the agenda outlines? I don't know why not. We can try. We can if we don't pass them.

SPEAKER: Chair recognizes Senator Koch.

SENATOR KOCH: Mr. Speaker, I don't remember who was presiding, whether it was you or Senator Simpson. When we started the afternoon session I'm sure that the statement was made that we'd do today's Final Reading, and if there was time remaining we'd go back to Select File.

SPEAKER: If that's the pleasure of this body, we'll go back to Select File. However, I don't think the decision was made. Is that a motion? Do we have a motion before us?
