

January 7, 1976

PRESIDENT: The amendment is adopted.

CLERK: Mr. President, another motion on the desk.

PRESIDENT: Read the motion.

CLERK: It is a motion to amend by Senator Murphy to add a new section to LB 561. The amendment was in the old Journal and it is in your bill books.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: Could I have the Clerk read the amendment? I am sorry to say I don't recall it.

CLERK: It is seven pages. Do you want it read? I will be glad to read it. What it does is simply correct the...in sections. It adds some new sections and in section 2, it amends 8-601 to include banking and finance.

SENATOR MURPHY: I think this is the amendment I referred to. It is substituting banking and finance for finance all the way through the bill.

CLERK: It is a different amendment than your Committee amendment.

SENATOR MURPHY: Does it accomplish anything different, Vince? Other than the name change.

CLERK: One place it changes, in a separate funds, to read, the financial institution assessment cash fund which is hereby created.

SENATOR MURPHY: I am sorry. I am going to ask that the bill be laid over until tomorrow.

PRESIDENT: Any objection?

CLERK: The only thing it does is this financial institution assessment cash fund.

SENATOR MURPHY: Here again we are changing a name only. The fund is there now, isn't it?

PRESIDENT: Senator, do you want the bill laid over, Senator?

SENATOR MURPHY: I think so. Just to make sure.

PRESIDENT: There are no objections so it is so ordered. LB 177. Senator Luedtke.

SENATOR LUEDTKE: Mr. President, on LB 177, this is also a bill that went to the Banking Department and there is going to be an amendment put on LB 477 which will do the same thing as is in LB 177 and I see that LB 477 is bracketed for debate on the 21st day of January so I would request that this, LB 177, be bracketed to follow LB 477.

PRESIDENT: All right. Walt, did you get that? LB 177 is bracketed to come up after LB 477. Is there an objection?
