

January 26, 1976

SENATOR BARNETT: I'll oppose it for just a second then I'll withdraw my objection. This is both Senator DeCamp and Senator Chambers and neither one of them are here. It's Senator Chambers' bill. Senator DeCamp is against. I would think we'd pass over it till one or the other gets here to give them a chance....

SENATOR SAVAGE: The Clerk informs me that it would take two entries in the Journal if we do it the other way. If there's no objection it's a mere motion to bracket it.

SENATOR BARNETT: To a date certain, or just....

CLERK: The request is just to bracket it until after 782 moves off of General File.

SENATOR SAVAGE: Hearing no objections so ordered. Back to Senator Dworak.

CLERK: Mr. President, on 460 there are E & R amendments.

SENATOR SAVAGE: Senator Dworak. E & R amendments on 460.

SENATOR DWORAK: 460? I move the adoption of the Enrollment and Review amendments to LB 460.

SENATOR SAVAGE: All those in favor say aye, opposed nay.

CLERK: Now, Mr. President, there are a series of amendments to that bill.

SENATOR DWORAK: I don't have 460 in the Journal, Mr. President.

CLERK: Page 333.

SENATOR DWORAK: Thank you. Have the amendments been approved?

CLERK: No but as I understand, we're going to lay them over. The E & R amendments you've got to adopt yet and then there's a series of other amendments to the bill. The next one would be 535.

SENATOR DWORAK: Mr. President, I move that LB 535 be advanced to Enrollment and Review for engrossment.

SENATOR SAVAGE: Shall LB 535 be advanced? Machine vote? All those in favor say aye, opposed nay. So carried.

SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 583.

SENATOR SAVAGE: Shall they be adopted? All those in favor say aye, opposed nay.

SENATOR DWORAK: Mr. President, I move that LB 583 be advanced to Enrollment and Review for engrossment.

SENATOR SAVAGE: All those in favor say aye, opposed nay.

SENATOR DWORAK: Mr. President, I move that LB 495 be advanced to Enrollment and Review for engrossment.
