

March 23, 1976

is the white sheet and we take lines 1-9. The amount as I indicated in previous discussions is \$277,000 general fund. I move the adoption of committee amendment number 2.

CLERK: Mr. President, that would also be Sections 2 and 3, of the committee amendment.

SENATOR MAHONEY: Motion by Senator Marvel to adopt the committee amendments to Section 3. All in favor vote. aye. Mr. Clerk.

CLERK: 27 ayes, 0 nays and 22 not voting.

SENATOR MAHONEY: Motion to adopt has been passed. Senator Marvel you may continue.

SENATOR MARVEL: Okay, Vince the bill drafting error, still on page 7, lines 10-11 has to be adopted. Does that follow your sheet?

CLERK: That is identified as committee amendment, Section 4.

SENATOR MARVEL: Okay, I move the adoption of that amendment which in affect reduces page 18, line 4 by two million dollars. That is a nice round sum.

SENATOR MAHONEY: Senator Marvel has made the motion Mr. Clerk do you have anything else to add?

CLERK: No.

SENATOR MAHONEY: All those in favor signify. Mr. Clerk will you tally the roll?

CLERK: 28 ayes, 0 nays on the motion to adopt Section 4.

SENATOR MAHONEY: Senator Marvel, will you continue.

SENATOR MARVEL: I have been voting in favor of these amendments, but I haven't been able to reach my button. Now, Vince, the next amendment is in Section 5, according to my notes, which increases the General Fund to the Supreme Court by \$92,100.

CLERK: Alright, Mr. President, I have a Marvel amendment identified as Number 2, which adds a new section to read Section 5, but I don't think that that applies here even though it is Section 5.

SENATOR MARVEL: We passed LB141 that indicated when county judges salaries increased they all increase. This happened. You have \$92,100 that has to be put into the pot. Senator Luedtke is more familiar with this bill than I am, but that is the bill. It is numbered in the Standing Committee notes that I have Number 5, or Section 5 Vince.

SENATOR MAHONEY: Section 5. Senator Marvel, may I have a motion for you to approve?

SENATOR MARVEL: Are you with me Vince? Okay.
