PRESIDENT: All in favor say aye, contrary say nay. The Call is raised. Motion fails. Senator Burbach, did you wish to be recognized?

SENATOR BURBACH: Mr. President, members of the legislature. This morning it was over looked, an important bill that has a deadline on it of April 1. I would like to bring that up immediately for Final Reading immediately after Vince reads in and advances any of the bills that he may have. I would like to alert the body that we will revert back to Final Reading on one bill and one bill only. Then we have, two amendments for LB852. Five amendments for LB434, one amendment for LB806, one for 579, one for LB76, two for 984 and I think that there is one more for 690. I bring this out to you because it is 4:43 at the moment and if these amendments are to be considered today, this is the very last opportunity. So, I am advising the body that if you have any interest in these measures, in these amendments that are offered, be prepared for some long discussion if we don't proceed any faster than we have since noon today. But, this is necessary that we do have this bill read this afternoon, right after Vince gets finished with his remarks of 819 because the deadline. It has the Emergency Clause on it and it needs to be enacted prior to April 1.

CLERK: Mr. President, your committee on education refers LB148 and 592 both indefinitely postponed. Signed, Senator Frank Lewis.

Mr. Speaker, may I take up those Select File that have no other amendments on it? Okay.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB984.

PRESIDENT: All in favor say aye, contrary say nay. They are adopted.

SENATOR DWORAK: I move that 984 be advanced to Engrossment.

SENATOR DWORAK: I move the adoption of the E & R amendments to LB989.

PRESIDENT: All in favor say aye, contrary say nay. They are adopted.
