LR 7
LB 210 - 219

effect on the rules in order to notify the public that a hearing will be held. If that's the case, and I think it is, then you would need to file with the Clerk Monday notice of a hearing for the following Monday, not wait until Wednesday. If you do that, you won't be able to have a hearing until the following Wednesday, so I want to make sure the committee chairmen know that, and I believe that is the case. Pat can correct me, but we do have a seven-day notice requirement throughout the session now if that rule change as I recall was adopted in its form.

PRESIDENT: Senator Nichol, do you want to comment on that?

SPEAKER NICHOL: Yes, I want to comment to the Clerk to see which is correct.

CLERK: Yes, he is correct, Senator.

SPEAKER NICHOL: Very good. Senator Wesely, I surely appreciate your alertness in catching that. So, with that being the case and thank you, Mr. Clerk, for correcting us, so you must get your hearing dates in then, committee chairmen, by this coming Monday if you wish to have hearings the following Monday which is the 24th. So be alert and this coming Monday be sure to have your hearings scheduled, the hearing dates, and in to Pat this coming Monday. Thanks again, Senator Wesely.

PRESIDENT: Thank you. The Legislature will be at Ease for a short interval.

EASE

PRESIDENT: The Clerk has more bills for first reading. Mr. Clerk.

CLERK: Mr. President, new bills. (Read the following bills for the first time by title: (LB 210 - 219. See pages 156 - 158 of the Legislative Journal.)

PRESIDENT: Members of the Legislature, I believe that we will take up LR 7 and then return to introduction of bills so that we can get as many members as possible on the floor for the consideration of this resolution. Senator Vickers. Excuse me, the Clerk will read the resolution.

CLERK: Mr. President, LR 7 offered by the membership. It is found on page 125 of the Legislative Journal. (Read LR 7.)

PRESIDENT: Order in the Chamber, please. Senator Vickers.
