LB 60, 62, 66, 143,
144, 147, 182, 197

SENATOR WIITALA: You granted me the time.

SENATOR BEUTLER: I just cut you off, Senator Wiitala.

SENATOR WIITALA: You just cut me off, okay.

SENATOR BEUTLER: Because I have none left is the only reason. I would like to discuss it with you further. But basically, if we are looking at it from the point of view of the student, isn't that ultimately what we are supposed to be looking at, the student? It seems to me that the bill is set up so as to prejudice a situation where you might have 20 students who could benefit from it in favor of a situation where you might have 5 or 6 who would benefit from it, if we are talking about grade school situations too. At any rate, if it is the intent of the Legislature to include grade schools with the exclusion of Lincoln and Omaha, I guess that is the intent of the Legislature, but my amendment would simply have the effect of limiting the whole program to the high school situation. Thank you.

PRESIDENT: The question is on the Beutler amendment. All those in favor vote aye, opposed vote no. Voting on the Beutler amendment to LB 62. Have you all recorded your vote? Have you all recorded your vote? Have you all recorded your vote. Clerk will record.

CLERK: 9 ayes, 16 nays, Mr. President, on adoption of Senator Beutler's amendment.

PRESIDENT: The motion fails. The amendment is not adopted. The Chair would like to make the announcement that while the Legislature is in session and capable of transacting business, I propose to sign and do sign LBs 60, 66, 143, 144, 147, 182 and 197. Mr. Speaker, do you have anything?

SPEAKER NICHOL: Mr. Chairman, we have one more amendment, is that all Pat on this?

CLERK: Yes, sir.

SPEAKER NICHOL: Why don't we try to go ahead to finish this bill and then, yes, I do have an announcement. Oh, we haven't started on the bill. All right, let's knock it off then if we haven't started on the bill. Just a couple of things before, Mr. Clerk. This week, as you know, we are off Friday and the Monday of next week. We will have Final Reading Monday at which time we will read number 58...excuse me, Wednesday, at which time we will read 58 among others I suppose, or at least that one. Some were asking about it. Once a year, as
