SPEAKER NICHOL: Roll call please. Father Murphy, we thank you and, students of St. Pat, we invite you to stay as long as you like. We are going to have Final Reading in a little bit and it is unlikely that you will understand what the Clerk is saying but he is reading the bills that are on Final Reading which has to be done according to the Constitution but you may not find this the most interesting, but if you would come back some other time or stay a little longer, you will find it more interesting. Thank you for coming and stay as long as you like. Please record your presence. We had a little problem, will you please record your presence again. The Board for some reason or other has cleared on its own accord. So please check in again. Record, Mr. Clerk. The Clerk tells me the Board is not correct. I can tell it is going to be a good day. So if you have not recorded your presence, please do it again. Or if you have recorded your presence, please do it again. Record, Mr. Clerk.

CLERK: There is a quorum present, Mr. President.

SPEAKER NICHOL: Do you have any corrections to the Journal?

CLERK: Mr. President, (Read corrections as found on page 634, Legislative Journal.).
