SPEAKER NICHOL: Thank you, Senator Higgins, and thank you ladies all for bringing us these little programs each morning, and thank you, Senator Marsh, for arranging the entire thing. We very much appreciate it. We will move into Final Reading and we will come back to Senator Newell when he arrives. Mr. Clerk, do you have something to read in?

CLERK: Mr. President, yes, I do. I have an Attorney General's Opinion addressed to Senator Haberman regarding LB 551. (See pages 870-871 of the Legislative Journal.)

Your committee on Enrollment and Review respectfully reports they have carefully examined and reviewed LB 235 and recommend that same be placed on Select File. (See page 872 of the Journal.)

Your committee on Miscellaneous Subjects reports LB 190 advanced to General File with committee amendments attached. That is signed by Senator Hefner as Chair. (See pages 872-874 of the Journal.)

Mr. President, I have received the biennial report from the State Treasurer's office. That will be on file in my office. I also believe copies have been distributed to the membership.

Mr. President, your committee on Enrollment and Review respectfully reports they have carefully examined and engrossed LB 414 and find the same correctly engrossed.

Mr. President, LRs 40, 41, and 42 are ready for your signature.
