regarding designation of priority bills. (See pages 943-944 of the Legislative Journal.)

SENATOR V. JOHNSON: Mr. Speaker, Senator Nichol, you are up for an announcement regarding designation of priority bills.

SPEAKER NICHOL: Mr. President, members of the Legislature, could I have your attention for just a second, today is the day for priority bills and if you can't find me please leave them at my desk. The time is up but we will give you a couple minutes in case you haven't got it done yet, but please get them there during the noon hour so that I can start to work on what is left over which is more than the priority bills that you will have put in, so if you would do that I would very much appreciate it. We also have a little problem with Senator Morehead and her day that she wanted to take you to...I believe it was Beatrice but we are working on that and she may be changing that date. With that, please get your priority bills in. That is enough for today to think about. Thank you.

SENATOR V. JOHNSON: Are there any further messages? In which case, Senator Martin Kahle, would you savor us with your dulcet tone?

SENATOR KAHLE: Mr. President, I move that we adjourn until tomorrow morning, Tuesday, March 15 at 9:00 a.m.

SENATOR V. JOHNSON: Thank you. All in favor of the motion to adjourn till tomorrow morning at 9:00 a.m. signify by saying aye. Aye. We are so adjourned.
