Tomorrow, I believe your green sheets are out for tomorrow. If they aren't, they will be shortly. We will be on Final Reading right off the bat in the morning and we will have three motions up, and we will go back to priority bills for the rest of the day. Incidentally as you know, we will not be meeting Friday so we may be going straight through the noon hour Thursday like we did last Friday since some of you will wish to be going home in the afternoon of Thursday. So look forward to that. Pat, do you have something to read?
