LB 371

SENATOR LANDIS: That's the only reference to a standing committee that I can find in the Journal that was offered that I knew of.

PRESIDENT: You may be right, I don't know. I don't have the standing committee...I don't have the Journal page.

SENATOR LANDIS: Because the alimony references occur in several of the lines in between 1 and 19 of the standing committee report. There are about from 13 to 19.

PRESIDENT: Do you have this four-page....

SENATOR LANDIS: I have the Journal which is what is available to me.

PRESIDENT: What is the Journal....

SENATOR LANDIS: Not that I know of. I have....

PRESIDENT: I am told the line...(interruption)...it is on page. Well, it is Section 15 and the first 3 lines. Do you follow that?

SENATOR LANDIS: I will take a look for it. I was referring to what I had understood was to be offered which had an amendment to the standing committees.

PRESIDENT: I understand the same thing. If you will look for Section 15.

SENATOR LANDIS: I will take a look for it. Thank you.

PRESIDENT: Three lines are in the question now under discussion. That is one division. Then from that point on is the second point. Is there further discussion on the committee amendment that we are talking about, the first division? Senator Beutler. Is there any other than Senator Beutler that wishes to speak on this particular portion of the committee amendment? Senator Higgins. Hold now, Senator Higgins, do you wish to make a point?

SENATOR HIGGINS: Mr. President, this is extremely confusing. We have committee amendments on several pages in the Journal?

PRESIDENT: I will try to add to your confusion or dissipate it. Just a minute.

SENATOR HIGGINS: All right.
