LB 356

SENATOR DeCAMP: I would ask unanimous consent to do coal slurry pipelines.

PRESIDENT: Without objection?

SENATOR DeCAMP: Okay, we have an indication from the body that they . . . no objections, should we move ahead on it then?

PRESIDENT: Chair objects.

SENATOR DeCAMP: Oh, shoot.

PRESIDENT: Members please report to the Chamber for the afternoon session. Quorum call is in progress. Members throughout the building and your offices please report to the Chamber for the afternoon session. A quorum call is in progress. Members please report your presence. A quorum call is in progress. Senator Kilgarin, would you record your presence please. Senator Beutler, will you record your presence please. Members please record your presence. Members throughout the building please return to the Chamber for the afternoon session. Quorum call in process. Clerk will record those present.

CLERK: Quorum present, Mr. President.

PRESIDENT: Quorum present. The Legislature is in session for the afternoon term. Do you have anything on your desk, Mr. Clerk?

CLERK: No, sir.

PRESIDENT: We are ready to move into LB 610. We will move to Item 7 on the Agenda, Special Order, 1:30 p.m., we will take up priority bills and the first one is 356.

CLERK: Mr. President, LB 356 offered by Senator Cullan. (Read title). The bill was read on January 17th, referred to the Agriculture and Environment Committee for hearing. The bill was advanced to General File, Mr. President. I do have Ag and Environment Committee amendments pending.

PRESIDENT: Senator Cullan, there are amendments pending from the committee, do you wish to handle this? The chairman and vice chairman don't seem to be here.

SENATOR CULLAN: Mr. President, Senator Haberman will be here shortly. But the committee amendments were, are
