of the third line, 73, 121, 121A. We will not be reading those three. I believe 476 earlier in that line has an A bill and we can't read that also. I believe that is correct. Senator Goll, do you have further questions?

SENATOR GOLL: Okay, so you are going to start on LB 169 and read through to 272?

SPEAKER NICHOL: Through 272, right.

SENATOR GOLL: Okay, thank you.

SPEAKER NICHOL: Senator Higgins, did you have a question?

SENATOR HIGGINS: Mr. Speaker, did you say tomorrow and Thursday we would start at 8:30 a.m.?

SPEAKER NICHOL: Yes, start at 8:30 tomorrow, Wednesday at 8:30, tomorrow, Thursday. Then, of course, Thursday the Governor is here from ten to eleven and we plan to adjourn at noon on Thursday, and, of course, we are off Friday, you know that. Any other questions? Okay, I hate to work you so hard but you will have a long week-end, maybe you can rest up and you will be getting out in good time, I hope, Thursday, and if you don't, it is your fault, not mine. Any other questions? After lunch we will go back to LB 336, Senator Pappas, so you can get prepared over the noon hour, and, Senator Jacobson. Do you have anything to read in, Mr. Clerk?

CLERK: Mr. President, I have a notice of public hearing from the Public Health and Welfare Committee regarding confirmation appointments, or regarding confirmation of gubernatorial appointments. (See page 1601 of the Legislative Journal.)

Mr. President, Senator Warner as with other appropriation bills would like to bracket LB 630 on Final Reading. (See page 1600 of the Journal.)

SPEAKER NICHOL: No objection, so ordered.

CLERK: Mr. President, your committee on Revenue whose Chairman is Senator Carsten reports LB 604 as indefinitely postponed.

Your committee on Enrollment and Review respectfully reports they have carefully examined and engrossed LB 263 and find the same correctly engrossed; 266, 396, 630, 498,
