LB 628

LR 19

quicker than we have but I was wrong. Please record your presence, ladies and gentlemen. Senator DeCamp, Senator Withem, Senator Schmit. Senator Warner. Senator Chronister. Senator Pirsch, Senator Chambers. Senator Barrett. Senator Barrett is excused. Looking for Senator Pirsch, Senator Chambers. Senator Lamb. Senator Fowler. We're looking for Senator Fowler. Senator Pirsch, would you record your presence, please? Thank you. Senator Vickers, we're looking for only Senator Fowler. Okay to go ahead and do you want to wait? Roll call vote was asked for. Proceed, Mr. Clerk.

CLERK: Roll call vote taken. (See page 2019 in the Journal).

SPEAKER NICHOL: The Clerk cannot hear, please let's have it quiet.

CLERK: 19 ayes, 18 nays, Mr. President.

SPEAKER NICHOL: The motion lost. With there being several motions pending, I think we'll move on to LR 19 since we're about a half an hour late. Senator Landis, for what purpose do you rise?

SENATOR LANDIS: Mr. Speaker, it's my impression that the body having spent a good portion of the day on this bill would like to see some closure on it. And for that reason, I would move respectfully to overrule the Speaker's agenda for the purpose of finishing our work on LB 628.

SPEAKER NICHOL: The motion has been made to override the Chair. Any discussion? Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, I rise to oppose changing the Speaker's agenda. I think we're ready to go with our LR 19 and I think it's time to do it. We have scheduled this for 3:30 and it's now nearly four o'clock. I don't expect LR 19 to take a whole lot of time and I think we should take it up now and then go back to 628.

SPEAKER NICHOL: Senator Chambers on overruling the agenda.

SENATOR CHAMBERS: Mr. Chairman, the motion is to change the agenda? I'm against changing the agenda. I think we ought to stay on LB 628. So much has been done on it in the way of discussion, a number of substantive and substantial amendments have been adopted and the bill is in a position to be moved, wait a minute. Yeah, I want to stay on 628. So whichever way that goes...

SPEAKER NICHOL: Senator Chambers, I have changed the agenda. The motion is to overrule and change the agenda some more so whatever you say is what we'll understand.
