LB 599

Robert Ludwig from Deshler, Nebraska and their sons, James and Joseph, are from Senator Eret's district and they are guests of Senator Fenger and they are under one of the balconies in the Chamber. We welcome you to the Legislature. Thank you. Senator Beutler.

SENATOR BEUTLER: Mr. President and members of the Legislature, this is a coordinating amendment which has first been coordinated with the introducers of the bill. It is basically designed to modify the service of process section, that is that section that tells you how you initiate lawsuits under this law, to modify that so that it is in accordance with LB 447 which you will recall is the major court reform bill on service of process which will be up before you on Final Reading in a couple of days. So this bill just says that service of process will be as delineated in LB 447. Thank you.
