LB 453A, 1113-1123  
LR 248

Thank you. Incidentally, while I have your attention I do want to express to you my appreciation again of your cooperation along this line. I know some of you have been humping to get it done so, thank you again. We had a good week last week and we are pretty well caught up right at the moment. Thanks to the League of Municipalities they screwed us up for a while this morning and I will remind them of it tonight so that they will know in case they have troubles with their bills from now on, but seriously I do appreciate your efforts and your work in committees and you have been working hard and you have been handling the bills quickly and I appreciate that and hopefully we won't have so horribly many bills that we can't handle them a little later in the session. I think our Appropriations Committee is in shape and things seem to be going along quite well, so thank you again.

New A bill, Mr. President, 453A by Senator Lowell Johnson. (Read by title for the first time as found on page 481 of the Legislative Journal.)

Mr. President, Senator Chronister would ask unanimous consent to add his name to LB 966 as co-introducer.

Finally, Mr. President, a new resolution, LR 248 by Senators Pappas and Vard Johnson. It would propose an amendment to Article VII, Section 1 of the Constitution of the State of Nebraska. (See pages 481-482 of the Legislative Journal.)

Mr. President, I believe that is all that I have.

SENATOR VARD JOHNSON PRESIDING

SENATOR V. JOHNSON: Is there any other business to come before the Legislature this tenth and final day for the
