LB 130A

an amendment.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, I think this is the amendment offered by Senator Warner. Is that not correct, Senator Warner? Senator Warner and I have quickly discussed this and we will run with his amendment.

CLERK: I've got three, Senator. I've got one from you and two from Senator Warner.

SENATOR V. JOHNSON: Well, we will let Senator Warner figure out which of his two he is going to offer. I think one is a little money amendment and the other is just a language change. Senator Warner, go ahead with your money amendment.

SENATOR WARNER: I assume, Mr. Clerk, that Senator Johnson needs to withdraw his amendment, I assume.

CLERK: That would be...yes, sir.

SENATOR V. JOHNSON: (Mike not turned on immediately.)
...withdraw my amendment.

PRESIDENT: The amendment is withdrawn and the Chair would take this opportunity on behalf of Senator Goll, our colleague, to introduce his son who is a guest under the North balcony this morning, Mr. James Goll, Jr., from Tekamah. Welcome to the Legislature. Your father will behave while you are here but we can't guarantee it after that. What is up on the bill now, Mr. Clerk?

CLERK: Well, Mr. President, I now have an amendment from Senator Warner.

SENATOR WARNER: Is this the one I gave you last this morning?

CLERK: No, I've got the other one.

SENATOR WARNER: The first one?

CLERK: The first one, Senator.

SENATOR WARNER: That's all right, either way.
