Also as a guest of all senators this morning, in the north balcony are thirty LEAD fellows of the Nebraska Agriculture Leadership Council that we commonly call LEAD from all parts of the state with Mr. James Horner, Executive Vice-President. We welcome you for all of your research and observation in the Capitol today. Are we ready for resolutions? Matters for the record, Mr. Clerk.

CLERK: Mr. President, your committee on Banking, Commerce and Insurance whose Chairperson is Senator DeCamp to whom was referred LB 1076 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; LB 693, General File with committee amendments attached; LB 801, General File with committee amendments attached, and LB 1049 as indefinitely postponed, all signed by Senator DeCamp as Chair. (See pages 771-74 of the Legislative Journal.)

Mr. President, your committee on Public Health and Welfare whose Chairman is Senator Fenger to whom was referred LB 900 reports it to General File with Public Health and Welfare Committee amendments attached, signed by Senator Fenger. (See page 775 of the Legislative Journal.)

PRESIDENT: Mr. Clerk, resolution.

CLERK: Mr. President, LR 254 offered by Senator Wesely, found on page 735 of the Journal. (Read LR 254.)

PRESIDENT: Senator Wesely.

SENATOR WESELY. Thank you, Mr. President. The resolution says it all. We are here to announce and celebrate Model United Nations Week. It is a program that brings in hundreds of students across the state to try to learn more about United Nations and government and world politics and it is a good experience for all involved. This would recognize that experience and I would ask your support for it.
