LB 973

recollection recommended to the committee by the Supreme Court, yes.

SENATOR HOAGLAND: All right. Inasmuch as I don't come from a population center that is affected by this bill, I won't make any further remarks on this issue but so that the legislators from those towns know that this affects them in this way why I thought I would raise these questions. Thank you.

PRESIDENT: Is there further discussion on LB 973. If not the motion is to advance the bill from General File. All those in favor vote aye, opposed vote no. We are voting on Senator Beutler's motion to advance LB 973. Please record your vote. The Chair asks for your cooperation again on bills on consent calendar. Please record your vote. We are voting on the advancement of LB 973. We need some assistance on the advancement of LB 973, members of the Legislature. The Chair will allow 30 seconds for votes to be recorded on the advancement of LB 1113. Excuse me, I keep reading the wrong number. It is LB 973. Time is expiring for members to vote on the advancement of LB 973. Please record your vote. Ten seconds allowed for the recording of votes. The Clerk will record the vote. Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, I hate to do this but I guess I will...could I make a request that certain members of the Commonwealth Committee be asked to return momentarily or is the only way I can go about this is to ask for a Call of the House and a roll call vote. I can tell you which ones.

PRESIDENT: I think we shall better address the question to the entire legislators, Senator.

SENATOR BEUTLER: I guess I would ask for a Call of the House.

PRESIDENT: A Call of the House has been requested and the question is then, shall the House come under Call? Those in favor vote aye, those opposed vote no. The Clerk will record.
