LB 726, 772, 772A

I think it ought to be carefully considered, the consequences carefully weighed in both the literal and figurative sense and let's take a look at this legislation a little more than five or ten minutes.

SPEAKER NICHOL: Senator Withem, did you wish to close on the committee amendment? Oh, wait a minute. We have an amendment to the committee amendment. Senator Withem, with your permission, I think we'll leave the bill and go to Select File. Is that okay with you? I realize we're...

SENATOR WITHEM: Yeah, I think that would probably be fine, although...

SPEAKER NICHOL: This will give you a chance to work on it and if it's okay with you.

SENATOR WITHEM: Although I think we're willing to concede on the particular point of underdebate at this point if...

SPEAKER NICHOL: Okay. With that, if this will be agreeable with you, then you can work between now and the next time it comes up to iron the wrinkles out.

SENATOR WITHEM: Okay, fine. Thank you.

SPEAKER NICHOL: Thank you. Okay, we'll move on to Select File now. Senator Lundy, would you like to work this morning? Senator Rod Johnson is excused. Please.

CLERK: Senator, on LB 772 I have no amendments to the bill.

SPEAKER NICHOL: Senator Ray Lundy.

SENATOR LUNDY: Mr. President, I move that we move the bill.

SPEAKER NICHOL: Okay. The question is the advancement of LB 772. All those in favor say aye. Opposed nay. It is advanced. LB 772A.

CLERK: There are E & R on 772A, Senator.
