LR 297, 299

recognize excellence in our state whenever it is achieved and it certainly was achieved by our wrestling team just as in our girls track team. In this case we came in fourth nationally and we had two national champions and a person that came in second. The person who came in second did awfully well. He lost to a fellow who weighed almost 500 pounds and was basically from the oak family, I think, was big enough to serve as a tree. But anyway coming in second under that sort of circumstances isn't too bad and we ought to recognize excellence and that is what this resolution does.

PRESIDENT: Is there further discussion on Senator Wesely's resolution? If not, the motion is to adopt the resolution. All those in favor vote aye, opposed vote nay. You are voting on the adoption of resolution 297 as introduced by Senators Wesely and Vickers. Please record your vote. Have you all voted? The Clerk will record the vote.

CLERK: 28 ayes, 0 nays, Mr. President, on the adoption of LR 297.

PRESIDENT: The resolution is adopted. The next resolution.

CLERK: 299, Mr. President, offered by Senator Hoagland...it is offered by Senator Vickers. I am sorry, Senator. (Read.)

PRESIDENT: The Chair recognizes Senator Vickers.

SENATOR VICKERS: Mr. President and members, the two previous resolutions were expressions of joy for accomplishments. This is an expression of sorrow but it is also for the accomplishment of an individual who contributed an awfully lot to the education and educational causes in this state. I am sure that most of the members of this body, if not all the members, have met Mr. Lynch and worked with him and would join with me and Senator Hoagland in our expression of sympathy to his family at his passing. So I would ask for the adoption of this resolution.
