LB 341A, 444, 112
LR 309, 310

SENATOR VICKERS: That is correct, Senator Lamb.

SENATOR LAMB: And the ten, ten and five are divided equally between

SENATOR VICKERS: Fifty-fifty between the foundation and equalization.

SENATOR LAMB: I see, thank you.

SPEAKER NICHOL: Senator DeCamp.

SENATOR DECAMP: (Inaudible).

SPEAKER NICHOL: The question is the advancement of the bill. Senator Vickers, did you wish to close?

SENATOR VICKERS: Just move the advancement, Mr. President.

SPEAKER NICHOL: The question is the advancement of the bill. All those in favor say aye. Opposed nay. It is advanced. Now do you have anything for the record, Mr. Clerk? The Call is raised.

CLERK: Mr. President, Senator Sieck would like to print amendments to LB 444. Study resolutions 309 by Senator Pappas and Senator Vard Johnson calls for a study of discrimination occurring in Nebraska's high schools in regard to scheduling athletic activities for boys and girls.

Mr. President, LR 310 by Senator Pappas and Senator DeCamp calls for a study of developing a more livable tax situation which calls for a review of the entire taxing structure in the State of Nebraska.

SPEAKER NICHOL: Senator Warner is across the hall doing a duty that he is charged with and we will skip 530 until he returns and we will go to LB 112.

CLERK: Mr. President, 112 was a bill that was introduced by Senator Vard Johnson. (Read title.) The bill was first
