privilege and the honor of introducing Senator Ross H. Rasmussen of Hooper, Nebraska. He is seated at your left up there, Mr. President. He served both the 11th and the 15th Districts during his career and served from the years 1960-1968. Thank you.

PRESIDENT: Thank you. I would like also to acknowledge the fact that I invited Senator Rasmussen to sit with me here because he is the founder of this organization, Former Legislators, and the present President is Senator Kathleen Foote, and I am privileged to have served with each of them. Senator Hefner, pass. Senator Vard Johnson. Senator Sieck.

SENATOR SIECK: Mr. Lieutenant Governor, it gives me great pleasure to introduce to you today Senator Walt Epke who I worked with when he was in the Legislature and we had some good relationships together. He did many things for me at that time. I am hoping I am doing as many things for him but I don't think I am doing as much as he would like to have but I did enjoy his term here in office and I am glad to introduce you to him, Senator Walt Epke.

PRESIDENT: Senator Epke. Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the Legislature, I am very, very pleased this year as in the past I usually had one State Senator, former State Senator to introduce. This year I have three. So I will start first of all with the State Senator who served many, many years ago and did a fine job from District 39, and then it changed to District 44. So Senator Don McGinley served in 1955, 1957, 1963 and 1964 from Ogallala, Senator McGinley. I also have with me I am very pleased as he has given me advice, not all of it good, but he has given me some, from 1959 to 1965 we have and I have with me Senator Dale Erlewine and his lovely wife, Mary. I have another Senator with me that I see almost every day who gives me considerable advice, tells me yes and no, I am sure you all know him but I have with me also Senator Jack Mills who served from 1975-1978 from Big Springs, Jack Mills.

PRESIDENT: I am glad to see that Senator Erlewine is still
