SENATOR LUNDY: Thank you, Mr. President, members of the body. Senator Kahle and I have co-sponsored this resolution and it is, as the Clerk has indicated, it's, we think, more than a...lets call it a salute to the senior high school and also the junior high school in Kearney for their outstanding achievements last year, particularly junior high, and one of three schools in the State of Nebraska to receive this award. It was presented last year while we were out of session, to the junior high staff and the youngsters, for their outstanding achievements at that school. Just this week we have...word has been received by us that the senior high school is in the running now for a similar honor in our state and certainly we want to honor these people by having the Legislature adopting a resolution congratulating them for their concern for excellence in education in our state and also in our district. I think Senator Kahle would like to also speak to the resolution, Mr. President.
