PRESIDENT: Have you all voted? Anyone...should call in their vote. Clerk will record.

CLERK: 30 ayes, 14 nays, Mr. President.

PRESIDENT: The motion prevails and the line-item veto issue item is overridden. Next, Senator Haberman. The Call of the House is raised. Thank you.

CLERK: Mr. President, the next motion I have on the bill is by Senator Kilgarin, Kahle, and Lundy.

PRESIDENT: Is Senator Kilgarin here? Senator Kilgarin, do you want to take the lead on this motion? Senator Lundy. May we have order please in the Chamber. (Gavel.) Senator Lundy.

SENATOR LUNDY: Mr. President and members of the body, we will take but a few minutes. It is a small appropriations here for a very worthy project at Kearney State College to do a program analysis at the physical education plant at Kearney State. The plant itself was designed, I believe in 1961, for a total population of, Kearney State College at that time of 1800 students. Today that facility is attempting to serve 8000 students. There are many things that are inadequate at the plant, the facilities. This appropriation would simply authorize a program analysis, an engineering study of what is needed and which direction to go with the expanded facility. So we would ask that you
