LB 372

respect to the income tax credit feature of 372, it would sunset literally on December 31, 1988. I, at this time, would move to return 372 to Select File for the specific amendment which I just described. I would ask your support.

SPEAKER NICHOL: Senator Landis, however, I have just had a phone call from the Fire Marshal who said that if Senator Haberman continued to start fires he would have to do something drastic. Senator Landis.

SENATOR LANDIS: Mr. Speaker, I accept the Johnson amendment and will vote for it and would urge you to do likewise.

SPEAKER NICHOL: Senator Fenger. Senator Higgins, excuse me.

SENATOR HIGGINS: Thank you, Mr. President. As I said the other day, it is one thing to pass a bill but if you want to really set it in concrete, put a sunset clause on it. I am for the sunset clause. Thank you.

SPEAKER NICHOL: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the Legislature, I should add an amendment on this bill. I don't think it is necessary because when I come in next year Senator Schmit and I would ask you to raise the minimum of \$300,000 on the loans to farmers that everybody here is going to support it. Thank you, Mr. President.

SPEAKER NICHOL: Senator Warner.

SENATOR WARNER: I just wanted to comment, Mr. President, the sun never sets, the world turns constantly. Sunset is...doesn't mean zilch, so put it on, take it off.

SPEAKER NICHOL: Senator Vard Johnson, would you like to close?

SENATOR V. JOHNSON: No, just return the bill.

SPEAKER NICHOL: The question is, shall the bill be returned
