Mr. President, several communications from the Governor. The first three are addressed to the Clerk. (Read communications regarding LB 492, 791, 13, 991, 991A, 993, 286, 286A, 218, 130, as found on pages 2388-89 of the Legislative Journal.)

Mr. President, I have a veto message. (Read message as found on page 2390 of the Legislative Journal regarding LB 38, 38A, 507, 507A, 1056 and 1056A.) That is all I have got, Bill.

SPEAKER NICHOL: Ladies and gentlemen, I hate to start with all of you not here in the Legislative Chambers. Will those of you who are still in your office please come to the Chamber so that you may not miss out on any votes. So that you will know sort of the schedule for the day, we will be breaking for lunch. Senator Marsh, we will... Senator Marsh, we will be breaking for lunch. Thank you for your nice smile. And we probably will be through before the dinner hour, I hope. We should be through with Final Reading shortly after lunch and then we will take up motions and overrides and a few of the other things that you will find at the end. Then we will have a short ceremony to tell Senator Clark and the others goodbye for the rest of their lives. So it should be a reasonable good day. Since it is Senator Clark's last day, we will work him pretty hard today to get all out of him that we can. I think we will start with 949, ladies and gentlemen, 949. It is a very long one. By that time most of the people should be here. So with that, Mr. Clerk, will you start with 949. Thank you.

CLERK: (Starts reading LB 949 on Final Reading.)

ASSISTANT CLERK: (Continues reading LB 949 on Final Reading.)
