LB 173-199

LR 2, 13

PRESIDENT: Thank you, Governor Kerrey. Will the Escort Committee please escort the Governor from the Chamber. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 2. The Clerk will proceed with the introduction of bills.

CLERK: Mr. President, new bills. (Read for the first time by title the following bills: LB 173-199. See pages 177-182 of the Legislative Journal.)

Mr. President, a new resolution, LR 13. (Read resolution, see pages 182 through 184 of the Legislative Journal.)

Mr. President, Senator Rod Johnson, as Chair of the Ag and Environment Committee, would like to announce that Senator Wiley Remmers has been selected as Vice Chair.

Mr. President, Business and Labor will be conducting an executive session tomorrow at one o'clock in Room 1019, Business and Labor, Room 1019, one o'clock tomorrow, signed by Senator Barrett as Chair.

PRESIDENT: May we have order please. The Chair recognizes the Speaker, Senator Nichol.

SPEAKER NICHOL: Mr. President and members of the Legislature, if I could have your attention just a moment.

PRESIDENT: May we have attention please. (Gavel.)

SPEAKER NICHOL: Thank you, Mr. President. We will convene the rest of the week at ten o'clock in the mornings and we will be taking up Revisor's Statutes which are obsolete things that we usually handle this time of the year. Nothing great happening other than that tomorrow and the next day except entering bills, and on Friday as I told you yesterday, the Supreme Court Justice will tell us about the State of the Judiciary and I urge you chairmen to get your bills back to the Clerk as soon as possible and that means by Tuesday, next week, so that we can begin hearings on the what, 28th of January. So be sure, before we take our three week vacation next week, chairmen, to get those bills back to the Clerk...three days, excuse me, just wishful thinking I guess. So we will be off next week Wednesday, Thursday and Friday which are days not weeks. Thank you.
