LB 295  
LR 49

Committee. Signed by the respective Chairs. (See page 516 of the Legislative Journal.)

LR 49 is ready for your signature, Mr. President.

SPEAKER NICHOL: While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 49.

CLERK: Mr. President, the final item I have this morning is to allow for the switching of hearing rooms between the Constitutional Revision and Recreation Committee and the Public Works Committee on February 21. (See page 516 of the Legislative Journal.)

SPEAKER NICHOL: No objections? So ordered.

CLERK: That is all that I have, Mr. President.

SPEAKER NICHOL: Ladies and gentlemen, I have been a little hesitant to start because we are starting with important bills this morning, and those of you who are still in your office or within the sound of the voice, we would appreciate it if you would come to the Legislative Chamber so we can begin with these important items. Thank you. All right, we will begin with the General File this morning. (Gavel.) If I could have your attention, please. We are starting on important bills and we will start with our General File this morning.

CLERK: Mr. President, LB 295 was offered by Senator John DeCamp. (Read title.) The bill was read on January 17 of this year. It was referred to the Banking, Commerce and Insurance Committee for hearing. The bill was advanced to General File. There are Banking, Commerce and Insurance Committee amendments pending.

SPEAKER NICHOL: Ladies and gentlemen, we are a little noisy this morning. I know it is nice to visit and we are interesting people and all, but if I could have your attention (gavel) so that we can hear what Senator DeCamp is talking about. Senator DeCamp.

SENATOR DECAMP: Mr. President, this is kind of a dumb question, but how many are gone? Roughly, within 20.
