

CLERK: No, sir.

SPEAKER NICHOL: We will move on to LB 76. Incidentally, I should also announce, while I have you, that LB 38 will be heard at the same time as LB 712. So if we should get that far today we will not take up 38 until LB 712 is able to catch up with it so that we can hear them both at the same time. This is at the request of the sponsors of both bills. I'm sorry it showed up on today's General File. Mr. Clerk.

CLERK: Mr. President, LB 76, offered by Senator Vickers. (Read title.) The bill was first read on January 10 of this year, Mr. President. It was referred to the Banking, Commerce and Insurance Committee for hearing. It was advanced to General File. There are committee amendments pending by the Banking Committee.

SPEAKER NICHOL: Senator Vickers. Senator DeCamp for the amendments, please.

SENATOR DECAMP: Mr. President, this bill, of Senator Vickers, has to do with cancellation of insurance. Blue Cross-Blue Shield came in and said they had no problem with the bill as long as it wasn't abused, therefore, they wanted an amendment that clarified some things. So the amendment says that exemption of cancellations due to failure to pay the premium, due to fraud, or due to misrepresentation don't fall under the parameters of this bill on notification of cancellation. That is all the amendment does. As I say, then Senator Vickers can explain his reasons for the bill. I move adoption of the amendment.

SPEAKER NICHOL: Any further discussion on the committee amendment? If not, the question is the adoption of the committee amendment. All those in favor vote aye, opposed vote nay. We are voting on the adoption of the committee amendment. The committee that is coming back on the floor, we are adopting the committee amendment. We are voting on the adopting of the committee amendment. Ladies and gentlemen, I need a little help. We are voting on the adoption of the committee amendment. Thank you. Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of committee amendments.
