

CLERK: Mr. President, LB 430 offered by Senator Goodrich. (Read title.) The bill was read on January 21, referred to the Banking Committee, advanced to General File. I have no amendments to the bill.

SPEAKER NICHOL: Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body, this is the annual, what we call annual wild card bill for credit unions. We do the same thing for savings and loan associations and we do it for credit unions, both. We have already processed the credit union bill, this is...I am sorry, we have already processed the savings and loan bill, this is the credit union bill that says in essence that the state chartered credit unions can do that which a federal chartered credit union can do. That is really all there is to it. I move we advance the bill.

SPEAKER NICHOL: Any discussion on the bill? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Have you all voted? We are voting on the advancement of LB 430. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: The bill is advanced. We will go to Select File now. We still have Senator Schmit's resolution and hopefully he will be back in a half an hour or so at which time we will take his resolution up but we will go to LB 406.

CLERK: Mr. President, 406, was a bill that...well, let me see, first of all, Mr. President, it was placed on Select File. I have no E & R amendments to the bill. I do have a motion by Senator Chambers, however, that would indefinitely postpone the bill. That would lay it over unless the introducers agree to take it up at this time.

SPEAKER NICHOL: Senator Hoagland, are you here? You are the primary introducer and we want to know if you want to take it up or not. There is a kill motion on LB 406. Do you want to take it up today or postpone it? Take it up. All right, we will take it up today. Okay, Senator Chambers.
