

call of the house and a reverse roll call vote.

PRESIDENT: A call of the house has been requested. All those in favor of putting the house under call vote aye. Senator Pappas.

SENATOR PAPPAS: A point of personal privilege or something which I seldom ask for. This is not the Governor's bill, for those listening. I drafted this bill or had this bill drafted last June without the urging of the Governor because I felt it was an insult to the property taxpayer for \$75 and I would like to have it increased. He did not even know about it until the first part of January. In fact, I wish now he wouldn't have testified for the bill at the hearing because his record of success isn't very good this year appearing before hearings, but it is not a Governor's bill. Thank you.

PRESIDENT: Senator Pappas has asked for a call of the house. All those in favor of the house coming under call vote aye, opposed vote no. The Clerk will record the vote.

CLERK: 17 ayes, 0 nays to go under call, Mr. President.
