SPEAKER NICHOL: The bill is advanced. Do you have something to put in the record, Mr. Clerk? Senator Landis.

SENATOR LANDIS: Mr. Speaker, members of the Legislature, given the nature of the last vote, I would be happy to offer to those people interested in working on 662 the same format that we're using on ag land valuation and that is evening meetings, working on implementation. That offer I make open to the members of this body if they would like to undertake a study on implementation problems that we can work on and solve.

SPEAKER NICHOL: Thank you. Mr. Clerk.
