LB 89, 269A, 326, 436, 437, 488, 552

SPEAKER NICHOL: Senator Labedz, did you wish to speak? Senator Haberman? Okay. Did you wish to close, Senator Johnson, without further discussion or...

SENATOR V. JOHNSON: No, I will do a great service to this body by not closing.

SPEAKER NICHOL: Okay, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance LB 552.

SPEAKER NICHOL: The bill is advanced. Mr. Clerk, do you have anything you wish to read in?

CLERK: Yes, sir, I do. Mr. President, your Committee on Public Works whose Chairman is Senator Schmit reports 436 to General File with amendments; 437 to General File with amendments; 488 General File with amendments.

Senator Marsh would like to print amendments to 89; Senator Vickers amendments to LB 326. (See pages 8588-862 of the Legislative Journal.) That's all that I have.

SPEAKER NICHOL: Ladies and gentlemen, if you'll notice on your desk you should have a new calendar and you'll note that we have put in one more day there and adjusted the calendar accordingly so that with the three days that we took off for the D.C. trip, it reflects that and also the 22nd of April which is a holiday of some kind. Most of us are confused about what holidays are what, Arbor Day the Clerk tells me, so we'll have that day off which is the only day off in April and I thought a whole month without one day off was a little strict and a little tough on you, so have a look at that calendar please so that you can plan your days between now and the end of the session. Mr. Clerk, do you have another thing?

CLERK: One last item, Mr. President, new A bill, 269A by Senator Johnson. (Read by title for the first time as found on page 862 of the Legislative Journal.)

SPEAKER NICHOL: Senator Jerry Miller, would you like to adjourn us until tomorrow at nine o'clock, please.
